

# Discover the Jungle at the Library this Summer!

Registration starts Monday, June 14<sup>th</sup> @ 5 p.m.

Hey kids! Make sure you pack your binoculars and bug repellent for your adventure: **Destination Jungle!** Use your knowledge of animals and survival skills to help the **TD Summer Reading Club** explore every inch of the jungle with stories, games and more.

## Session 1 (ages 7-12): June 28 - July 9: **Into the Wild**

Before you go and explore the jungle you will first need to learn how to survive while you're exploring. Create your own Jungle Explorer Kit, share what you would bring on your own adventure, discover the animals of the mighty jungle and even create your own mural!

## Jungle Mania (ages 6-8): July 13 - July 16

Come explore the jungle day or night, rain or shine. Create your own Jungle Kit, learn some rhymes, make some animal crafts and enjoy a wild movie!

## Session 2 (ages 7-12): July 19 - July 30: **Born to be Wild**

Now that you have your kit ready and have discovered the animals of the jungle let your imagination run wild with acting games, an expedition (discover gorillas like Jane did!), create your own rainforest, and more!

## Jungle Mania 2 (ages 6-8): August 3 - August 6

Make your own jungle instruments, feed a ferocious lion, play jungle bingo (maybe win a prize!), and enjoy a jungle movie!

## Session 3 (ages 7-12): August 9 - 20: **It's a Jungle Out There!**

You've discovered the outdoors, braved the dangers of the jungle, and met a few cool cats (okay, maybe tigers!) along the way. Are you ready to be considered a jungle adventurer?! Show us what you've learned by creating your own jungle mask, and brave the jungle one last time!

## Storytime for Adventurers-in-the-Making (0-6 years)

Join us every Wednesday @ 1 p.m., starting June 30<sup>th</sup>. Discover the adventurer in you as you read through some of the wildest storybooks! Afterwards, make a crazy craft or colour a picture.

## Can't Make the Program? Too Young? On Vacation?

Pick up your Jungle Kit anyway, and/or play the Giant *Jungle Safari* gameboard for free!

## Contests

Being a good adventurer means you're always up for a new challenge! Drop by the library any time to participate in our ongoing contests.
